I'm proud to announce that our wonderful educational support group presentations are the only ones in the country videotaped and available on-line. I receive emails of gratitude from patients across the country that would have no other access to the valuable information our medical professionals provide at our meetings. Thanks to Jerry Encore (a pituitary patient) for his dedication to making sure our meetings are professionally taped. We look forward to continuing to improve access for current and accurate information.

#### **Video Topics:**

- Pituitary Surgery-Dr. Kelly
- Hormones-Dr. Cohan
- Radiation-Dr. De Salles
- Traumatic Brain Injury-Dr. Kelly
- Pituitary hormones/Surgery-Dr. Kelly
- Healthy Life Choices-Brian Theiss, CEO
- Mental Health-Linda Rio, MFT
- More coming soon.

Please share the news with your
